

## OLYMPIC VENUES TELEX COMMUNICATIONS EQUIPMENT STATUS 4/28/04

**Athens, Greece (April 2004):** Thanks to the outstanding work of Omikron Control, Telex Communications Inc.'s distributor in Greece, the 2004 Olympic Games will be one of the biggest events ever carried out with such a wide range of audio solutions from Telex®, RTS™, Midas®, Klark Teknik®, Dynacord® and Electro-Voice®.

The following list shows the actual status of the Telex Communications Inc. sound reinforcement equipment at the Olympic venues. In total, The Games will take place at 38 different locations, 18 of which will have fixed sound installations. **14** of these venues are or will be equipped with Electro-Voice!

At *all* the following locations EV microphones (wired and wireless), EV amplifiers and DX-38 controllers will be used.
